

Buddha, Who Are You?

One day a group of seekers came up to Buddha and asked,

“Buddha, who are you? Are you God?”

Buddha answered, “No. I am not God.”

They asked, “Are you an angel?”

He said, “No, I am not an angel.”

“Are you a prophet?” they asked.

Buddha patiently answered, “No. I’m not a prophet”.

Confused, one of them finally asked, “Well then, what are you?”
and the Buddha replied, “I am awake.”
